PINOT BIANCO SANCT VALENTIN 2024

Pinot blanc has formed part of the premium Sanct Valentin line since 2001. Minimum yield from carefully selected vineyards speak to the fact that a lively, powerful top wine is pressed from the long underrated grape. Aged in wood, it is captivating as a result of its power and richness on the one hand, and because of its clarity and mineral finesse on the other. Its longevity is a compliment to its extraordinary quality.
